First of all...
Fuyukura
Omae no Gokoushi wa sono toido ka?

"Midget girl"
"Middle schooler"
"Brat"
"Growth Disorder"
Any one of them's fine by me
Don't call me Fuyukura, you're only a Minion -
Ugh..
F..... Fuyukura's fine then
I bit you because I wanted to get a Minion!

Why did you bite my neck

Omae no Gohoushi wa sono teido ka?

CHAPTER 2: LET'S GO THE SACRED BLOOD EMPIRE!

Full-Fledged "Sacred Bloods" are ones that have Minions!
Meaning that if a high schooler still doesn't have one...
Although in reality, not many high schoolers even have Minions
And that's how it is
SUCK
It's only until middle school where you could get away without a Minion!
Whaat you still don't have a Minion!?
Ahaha-ha
That's sickening!
SFX: STAB
Background Sacred ● Blood?
What's a "Sacred Blood"??
Wait
Don't put in a whole bunch of unknown words into your answer!

You're...
Japanese but you don't know what Sacred Blood is?
CLUELESS~
I only get updated on information every six months.....

You might not believe it, but I'll explain everything from the very beginning
I never expected there to be a Japanese who's this clueless...

5 months ago (April) Akimoriya City, Japan
THUD...
HORRAYYYY!!
was taken over by the Sacred Bloods
and became the Sacred Blood Empire
It's true
NO WAY!!
STAGGER

Though, Japan still hasn't conceded this yet
SHOCKED...
So... Akinomiya City had become an independent country
CL...NK...
HM? Do you not like tomato juice?
Would you prefer blood instead?
I'm definitely fine with tomato juice
SHINE
Could you be...
...wait... huh?
OH

You Japanese people call us "bloodsucking demons"
But because its such a racist remark, the emperor is protesting to the United Nations about it
Calling us demons is too rude!
SIGH...
HUMPH
HUMPH
We're a race that has over 2000 years of history
Umm.. then
What's a Minion?

So it's the thing where humans turn into the vampires' henchmen after being bitten by them
Mwahaha
Sacred Bloods can enslave humans by biting them
It's basically the same thing as the english word "minion"
Minion
like an underling henchman
Hmmm...
That's just a superstition
How's this, Fuyukura
SUCK
FWMP
Though it does annoy me
Cuz we've never been on good terms with the Christians
Do you feel anything?

We temporarily get stronger when we suck blood
PLOP
RABBIT
.....
They're my favourite!
Eating them makes blood thinner
Then how about garlics?
What are some special features?
Your race sure doesn't have any special characteristics
Natto... Nameko... okra...
GOOEY
SLIMY
I'm weak to slimy things...
Isn't there some kind of weakness?
TWITCH
And a while ago, people were cooking slugs on TV
but I'd bite my tongue off and die if I had to eat those
But those are only your personal weaknesses...
TWITCH
Hey.. Fuyukura

NTL Natto, nameko, and okra are all slimy foods that are commonly eaten in Japan - feel free to Google/Image them

Are you really a bloodsucking demon?
Don't use the term "bloodsucking demon!" It's rude!
Solely from the fact that we Sacred Bloods suck blood -
SLAM
Huh? Wait a sec
How come I don't have to obey you
CRAP
even though I was bitten??
RABBIT

Wasn't today a Taian day?
...oh?
INFECTION 10 MINUTES
A... also, I hear that it's better to turn a human into a Minion on a *Taian day rather than on a *Butsumetsu day...
I hear that sometimes the injection fluid is ineffective to humans on humid days
Th... that's because...
HAHA...
STARE
I guess we shouldn't take those traditional sayings too lightly?
OH CRAP
SWISH
This book is...
Th-that's

*NTL *Taian and *Butsumetsu are both days in the Rokuyō series of six days that predict whether there will be good or bad fortune during that day

In cases where a person has not become a Minion even after biting him/her for nearly 3 minutes, the following cases can be considered.
(1) You are too young, thus your saliva does not contain the fluid that turns a person into a Minion. You should wait until you are 15 years or older.
AHHH...
...so that's how it is

So you couldn't turn me into a Minion because you're still too childlike
SLUMP...
Don't say that... it's embarrassing..
She's just a girl if she doesn't have any poison...
Just a...
...girl
Oh
Hey Fuyukura
Do you feel anything when you look at me?
?
Obviously I get annoyed by how I couldn't turn you into a Minion..

This is...
He can't be...!?
REACH
Though you are somewhat good-looking..
I guess this is what you call a shitty personality
Don't get too self-conceited...
I mean as in... did you fall in love with me or anything..
...Wh
TUG
Wh...
FLUSH
What do you think you're doing! Just because no one else's home!
You're the worst! You woif! I hate you!!
TIGHTEN...
S... stop...

How do you think of me?
TH-THUMP
TH-THUMP
Please tell me honestly
I... obviously hate you!
There's no way doing this kind of thing would make me happy!
SHOVE
I hate you so much!!

...so you hate me, right?
Which means you won't regard me as a love interest?
Not even in a tsundere* way?
PLUSH
What the hell are you saying!
There's no way I'd like a guy who says this kind of crap!
HIC
Oh YEA HHH!!
RISE
!?

NTL *Tsundere
http://en.wikipedia.org/wiki/Tsundere

I'm not!
SHUDDER
What the... is this guy an extreme masochist...!?
Due to a curse, I'm overly popular with girls!
What kind of a perverted curse is that...
To an extent where my life's in danger!!
I've decided! I'm gonna stay in this empire!
GYAAAA
'Cuz then, I won't get "attacked" by my sister
or almost get killed by my classmates
I won't hand over my dear Ojou!!
!?
SWISH
or get abducted by some suspicious car!!
VROOM
Farewell to death-topia! Farewell to the world of the century's end!!
WHOAA
Calm down!

I'm gonna go look for an apartment somewhere
There should be a landowner somewhere near the train station
I'll have to get a part-time job to pay for the rent, but that's no big deal
Wa... i...
Thanks for having me over!
GRAB
JINGLE
Stop!
Jeez, what is it now...
IF you go outside now, you'll be bitten instantly!
...I'll be... bitten?
Sacred Bloods have a great sense of smell, and can distinguish Minions amongst themselves!
Don't get ahead of yourself!
Oh, I could work for you for 9 bucks an hour
Calm down and listen!

Yeah... that's why I approached you with my "Introduction to Minion" book
So you also came to me because you had found me?
Once you step outside, you'll be a Sacred Bloods' Minion candidate
Ugh...
Yup, pretty much
This sucks..
Here comes a 100,000-dollar asset~
チョロ
1億円やってきた
So the moment I go outside...
it would result like this?
So Minions have freedom except for their locations...
In other words, if they run away they'd just be summoned
SIGH...
It's not like you lose your consciousness
We're not devils
Th... then what happens if I become a Minion?
The only things we can actually force our Minions to do are things like summoning them

I have come to a world where I could get attacked not only by girls
but also by guys ..
Sigh~...
Hey...
You should clean up this room and make me an omelette
I was stupid for asking you
What should I do?
Hmmm...
...oh, I know!
We could use that!
Rise
I'll be right back!

and live as an ordinary human
S, se- riously!
SMIRK
There's just one way that you can walk freely outside
RUSTLE
Alright... I found it!
CLANG
THUD
You have to put this
on your choker!
What kind of an *act is that!
With this, anyone can tell that you're my Minion
I'll be holding the leash when we're outside

TLN: *act means in terms of kinky sex acts

This means that no one can lay a hand on you if there is the leash, the choker, and the master-candidate
GULP
- Constitution of the Sacred Blood Empire -
- 167th article -
For one to claim the ownership of a being that is not yet, but certainly will become a Minion in time to come, he/she must make that circumstance absolutely apparent by a means
But with this, you can definitely roam outside
With this, I can get to a safe place...!!
BAM
Thank you!
I was thinking "why the heil did I have to be taken in by some weirdo" at first, but not eny more!
Now I can go home!
You're a good, saint-like person!!

Huh?
When did I say that I was gonna let you go home?
You're not gonna take me to a safe place with this equipment?
Nope I'm not
CLEARLY
CLIET
JINGLE...
What...?
GRIMACE...

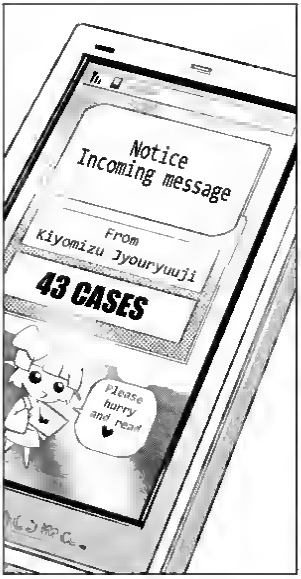
Uhh you said your name was Ryouta Asagiri, right?
SWISH...
Ryouta
I'll give you a good life
in this empire as my... Shiren Fuyukura's
Minion (candidate)...!
Damn... exploiting the situation like that
I'M not forcing you
You could leave this house and run away
Though, I'll report you if you do

It's not like I'm gonna get turned into a Minion immediately
Please...
...Allow me to stay here for a while...
I can just find a chance to escape...
You're thinking...
Yup, I also do guys
Though I'll be contacting a queer bro in the neighbourhood
But if you really do, good luck finding a large-breasted beauty of your preference
HEE HEE
OH GOD
"I can just find a chance to escape
and I suppose I'll steal some cash on the way"
はぁ～ん?
AHA
Right? You're thinking of something like that, aren't you?
She knows!?
Moreover the scheme's been worsened!
Hmm you need to plead some more~
"Please allow me to dwell in this mansion
and work for you as a Minion, my lady Shiren
DAMN
...you shall say that on your knees

Oh shit!?
What you're supposed to say is reversed with what you're thinking
Please allow me to dwell in this mansion -
Someday I'm gonna make you cry on your knees while saying "I humbly apologize, great Ryouta Asagiri"
Oh well
Stand now, Ryouta
...calling me in an over-familiar way like that
Rather...
SHEESH
From today onwards, make sure to serve me faithfully as a Minion
STAND
Feh, allow me to serve you, my lady Shiren Fuyukura

Let's get along
REACH...
call me "Shiren"
RABBIT
Ryouta
.....
If we're shaking hands like this...

...let's get along
I guess this wouldn't be too bad
GRIP
...Shiren
though there's still the prominent master-servant relationship
Yayyy!
Now I also have my own Minion!
HOP
HOP



Phew...
